SME Differentiators

One stop service portal AIG One

Obtaining terms for clients has never been easier, with just two minutes needed to get a comprehensive quote. Whether it's generating and amending quotes, binding cover or issuing policy documents, with the technology and ease of doing business at your fingertips, AIG One is here for you.

Pre-underwritten

We empower you to obtain terms quickly and efficiently. With our consistently increasing pre-underwritten limits and simplified journey, you can obtain binding terms with just a few clicks. Whether it's a small chain of restaurants, or a newly established office, the system is designed to allow you to generate quotes.

All Inclusive

With our industry-based approach, we make sure that our policies cover the risks inherent to the businesses to be insured. Whether it's Food poisoning for Restaurants, Liability towards students during excursions and athletic activities for schools, or inland transit for retailers, (to name a few!), our policies are designed to automatically cover those risks and activities.

Muti-line

Our products allow you to package in a single policy all the covers an SME may need, including but not limited to Property, Business Interruption, Liability, Workmen's Compensation & Inland Transit. Our system allows the flexibility to try various combinations of covers, as well as generating quotes for even single lines, such as stand-alone property or stand-alone liability. We are here to make sure you find the right solution.

Efficient and Timely Service

We pride ourselves in providing a best-in-class service, and with our devoted team of SME experts, all referrals and requests are handled promptly.

Online Claims Notification

We want to make sure all valid claims are paid promptly so that our clients can get back to what they do best and not have to worry about claims settlements. Our online claims registration portal has a dynamic question set which changes depending on the type of incident, ensuring that all the necessary information we need to adjust claims is provided from the get-go.

AIG Multinational Differentiators

Expert People

Our local multinational team are on hand to help. Clients and brokers value the ease of calling an individual expert to resolve issues across a programme.

Global Network

Our global network of strong and well established AIG local offices throughout the world, in combination with our top-tier global network partners, means we can issue policies and service multinational clients in 215 jurisdictions.

Proactive Servicing

Our multinational end-to-end process is designed to deliver timely local policy issuance, contract certainty, regulatory compliance, country alignment and early allocation of premiums. Our process creates time efficiencies and ensures sophisticated claims handling with no gaps in local policy coverage.

Worldwide Claims Expertise

With over 6,000 claims professionals across our global network, our clients have comfort that in the event of a loss, AIG will be on-site to meet their needs. Payments are made in-country where possible and clients can customise their claims handling instructions to ensure global consistency.

Multinational Opportunities

Using our multinational and alternative risk management capabilities, we work with clients and brokers to produce bespoke multinational solutions. This allows our broker partners to respond to a wide range of multinational opportunities across all lines, sizes, sectors, and geographies worldwide.

Programme Tools

A range of tools gives multinational clients and brokers access to all the information for effective global program management directly to all devices. This includes the MyAIG portal with daily updates, drilldown views of portfolio performance and our global, online, on-demand claims analysis.

AIG Client and Broker Engagement

The AIG Client and Broker Engagement Team is committed to working with our broker partners to deliver the best possible experience for clients ; whether it's helping them better understand the risks they may face, how their policy stands up to these and most importantly how they can seek to avoid or mitigate against these risks in the first place.

AIG Broker Academy

The AIG Broker Academy aims to provide participants with the latest product and market knowledge to ultimately help you better serve your client's needs. We'll provide tools to help save time, improve service experience and aim to grow your business. We are very committed to making it easier for brokers to do business with AIG.
